Helping Specialty Practices
Attract More Patients, Improve Care,
and Grow for the Future.

From Patient Discovery to Long-Term Loyalty

SOLX Health connects digital marketing, patient engagement, AI-assisted communication, and care-gap workflows—helping specialty practices create a more connected patient experience.

One Connected Patient Journey

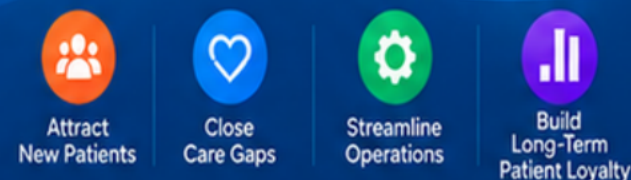

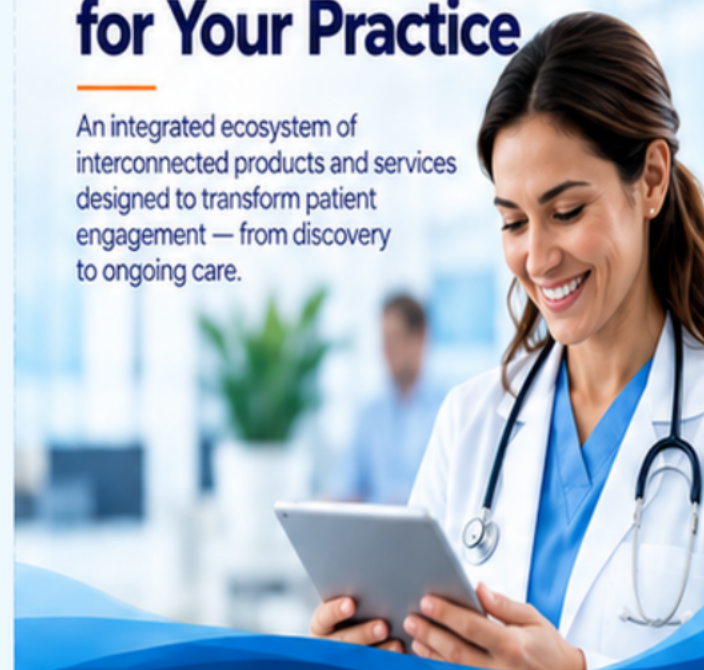

- ✓ Attract new patients
- ✓ Improve care-gap follow-up
- ✓ Streamline practice operations
- ✓ Build long-term patient loyalty

Clinical intelligence
for smarter, more
connected care.

A More Connected Patient Journey for Your Practice

An integrated ecosystem of interconnected products and services designed to transform patient engagement — from discovery to ongoing care.

Technology. Engagement. Digital Marketing. Better Outcomes.
